

Kit Carson Parents and Teachers Club Summer Reading Program

June 2019

Dear Parents and Students,

The Kit Carson Parents and Teachers Club will be sponsoring the Summer Reading Program. Our goal is to keep students interested in reading during the long summer break. The students will be able to win prizes for the most equivalent books read! There will be a Summer Reading Program Assembly in October to recognize the students for their summer reading efforts.

Kindergarten & First Grade – books may be read to children to receive credit
2nd & 3rd grade – books should consist of at least 30+ pages
4th & 5th grade – books should consist of at least 75 pages
6th thru 8th grade – books should consist of at least 100 pages

We encourage you to set aside a ½ hour or so of quiet time each day for your child to read. After your child has finished reading a book, have them write the information needed on the reverse side of this sheet. Hang this paper on your refrigerator or in a convenient location to remind them to read every day. (*To assist your student in understanding their reading, have them keep a journal– title the page with their book title and author, have them rate their book 1-4 star, take notes, and give a brief summary of the book)

Students must turn in their Summer Reading List by August 23, 2019 to their teacher or the school office.

Remember we are not asking the children to get pledges or sell anything. All we want them to do is READ, READ, READ!!!! And of course, have fun while they are doing it!

Enjoy your summer...
