### After School Program

Our after school program is busy working with students in distance learning mode. Mrs. Barlow, Ms. Edwards, and Miss Brock are busy calling and meeting with students.

### Contact Information

Please call us anytime with your questions. We are available from 7:30am-4:00pm. (559)582-2843.

You may also access the district web page at:

# Mid Week Message

### Bringing 25% of Students Back

California schools have been provided guidance from the California Department of Public Health to provide targeted, specialized support at school. We will be inviting a small cohort of students (Special Education and English learners) back to school 1 day per week for 2 hours. Each student invited will receive information regarding their specific day and time for services. Parents of students invited do not have to send their student if they do not want their student to attend. These services will begin Tuesday, September 22, 2020. (Unless the California Department of Public Health changes the rules between now and then).

Students attending will be required to wear a mask, have their temperature scanned, follow social distancing, and follow all guidelines set forth by the school.

We will offer transportation for students attending. Safety guidelines will be followed on the busses as well.

We look forward to begin re-building our in person learning for our students.

Invitations have been mailed out to families.

### Breakfast/Lunch Service

We are pleased to offer **free** breakfast and lunch for pick up each Wednesday from 12:00pm-1:00pm. Check the website for designated drop off spots throughout the district. Pick up is available each week here at Kit Carson School. Please note that school accounts will NOT be charged. There was a change to this rule this week.

### School Site Council

School Site Council is an advisory committee composed of parents, teachers, classified employees and administration. We encourage parents to participate in this council to help guide the educational process. There are currently positions open. Please contact Valerie Lopez at 582-2843 extension 100 if you would like to serve on the council.

### English Learner Advisory Committee

Kit Carson's English Learner Advisory Committee (ELAC) is a group of EL parents, and school staff that provides the school with input on our programs for English Learner students. Please contact Amy Barlow at 582-2843 extension 126 if you would like to serve on this committee.

### Accelerated Reader

Even during distance learning students can continue reading books and taking accelerated reader tests. Your student can take tests daily. Accelerated reader is such a wonderful tool because your student gets to read books at their independent reading level and they earn points each time they take an accelerated reader test and pass the test. Challenge your student to continue reading books and taking tests. The best way to become a better reader is to READ, READ, and READ.
