SCREEN FOR COVID SYMPTOMS

Parents are strongly encouraged to monitor their children for symptoms of infectious illness every day. Students who are sick should not attend school in-person. Please do not send your child to school if they have symptoms.

People with COVID-19 have a wide range of reported symptoms – from mild symptoms to severe illness. Symptoms may appear 2-14 days after exposure to the virus that causes COVID-19.

Parent Survey

We would like parent feedback. Please take the parent survey on the school website. If you would like your student to attend summer school, please sign them up on the parent survey.
